David W. Victor**AMENDMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This amendment is submitted in response to a second non-final office action dated January 13, 2005 ("Second Office Action") in which the Examiner found that claims 6-9, 18-20, 28-31 would be allowed if rewritten in independent form including the requirements of the base and intervening claims and rejected claims 1-5, 10-17, 21-27, and 32-36 as obvious (35 U.S.C. §103) over prior art. On April 13<sup>th</sup>, the attorney for applicants and the Examiner held a phone interview discussing a proposed amendment to the claims. The Examiner indicated that such amendment appears to distinguish over the cited art, but that further consideration is needed. Applicants have amended the claims as discussed during the phone interview and rewrote certain of the allowable claims in independent form to place all of the allowable claims in condition for allowance. Applicants submit that all pending claims 1-36 are patentable over the cited art and in condition for allowance for the reasons discussed herein.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2.

**Remarks/Arguments** begin on page 10.
